Scholarship Application 2026 First Year

Program Details

SCHOLARSHIP AWARD DETAILS:

- Two (2) \$1,000 scholarships are awarded each year. The scholarships are established to assist students pursuing a post-secondary education in an electric utility lineworker program.

ELIGIBILITY:

- Any applicant enrolling in a lineworker program or any applicant who can prove they are on a waiting list for the next open enrollment period. Preference would be given to FMEC members and residents of Freeborn and/or Mower Counties.
- At the time of application, student must have a 2.5 grade point average and maintain a 2.5 grade point average during their first term of college.
- Applicant must be enrolling in a program leading to a certificate to work in the electrical lineworker field.
- Applications must be received by March 1, 2026.

SELECTION:

- The applications will be reviewed and evaluated, and students will be selected based on the application, the essay question(s), and the ability of the student to maintain a 2.5 grade point average during their first term of college.

NOTIFICATION:

- The cooperative will contact students after all applications have been reviewed and selections have been made.

DISBURSEMENTS:

- The full scholarship amount will be disbursed directly to the school and applied to their student account.

A digital application can be found on the Freeborn Mower Electric Cooperative website:

Essay Questions

Please answer the questions below on a separate sheet of paper.
Type your responses and limit each answer to one half page.

1. What motivated you to pursue a career as an electric utility lineworker?
2. Who, if anyone, has inspired you to pursue such a career?

Applications submitted without an essay will not be considered.
